Teachers are sending information to you through Fast Direct and not all parents are responding.

These are the things you need to do to finish activating your account.

1. Put in your phone #.
2. Put in your e-mail address
3. If you would like to receive a text message / or in case of emergency we could use this aspect, please select your service provider.

Save all changes on the bottom left side of the page.

4. Before you sign out make sure the e-mail and text boxes are checked to keep informed.
